Re: Pallet Cost Increase

Dear Valued Customer,

Due to the on-going shortage, high demand in pallets and the rising cost of lumber, our pallet costs will be increased effective August 2, 2021. The current pallet-exchange program will not be affected by this. The pallet increase applies to “pallets purchased” at Empire CFS Inc.

New Pallet Fees Effective August 2, 2021

- Pallet Purchase Fee @ \$25.00 per pallet
- Shrink-Wrap Fee @ \$5.00 per pallet
- Palletize and Shrink-Wrap @ \$30.00 per pallet

Should you have any questions, please do not hesitate to contact our customer service team representative.

We value & appreciate your continued support during these challenging times.

Sincerely,
Empire Container Freight Station Inc.
