

04/03/2025

To our valued customers,

We have recently made the difficult decision to cease all operations at our San Antonio location. We are asking all customers to have all cargo removed from our facility no later than May 16<sup>th</sup>, 2025.

We appreciate your business over the years, and we will continue to serve your transportation and warehousing needs at our Houston and New Orleans facilities. Thank you for your patience and understanding as we go through the shutdown process.

Sincerely,  
Kyle Johnson  
President
